

Business Analyst

Oxford, NS
Bragg Group

The Bragg Group is an entrepreneurial and diverse group of companies headquartered in Oxford, Nova Scotia. This privately owned group includes: Eastlink, Oxford Frozen Foods, and Inland, along with additional investments in renewable power and real estate. We are looking to add a Business Analyst to our head office team in Oxford, NS.

We embrace diversity, inclusion, equity and accessibility throughout all levels of the organization and encourage members of equity groups to self-identify during the application process.

As the Business Analyst your responsibilities will include the preparation of regular and non-recurring financial, operational and performance reports, financial analysis, and assistance with due diligence projects, in addition to other accountabilities. Your role will help the senior leadership team in monitoring and making informed financial and investment decisions across a broad spectrum of business units. This position will appeal to your desire to expand your business knowledge and capabilities in a dynamic work environment.

Qualified candidates will have a professional accounting or finance designation, and a minimum of three years of relevant financial work experience, with strong analytical and critical thinking skills, and a commitment to continuous learning.

Why Choose Bragg Group?

The Bragg Group operates in a culture of continuous improvement through listening, learning and adapting, which enables us to respond quickly to the evolving needs of both employees and stakeholders. We recognize that our truly greatest competitive edge is our people and that delivering a great customer experience begins with a great employee experience. Our philosophy of developing and training our team “on the ground” not only helps to create a strong onboarding experience but also readies employees for future growth opportunities within the organization.

Get your career started with us and stay with us, your journey begins here!
