Please note:

- Courses other than those listed here may qualify for an exemption. Please contact your regional CPA Student Recruitment Advisor if you believe this applies to you.
- Codes for equivalent university courses from prior years may vary from this list. Please contact your CPA Student Recruitment Advisor for more detail.
- If you lack some or all of these courses detailed here, they can be completed at one of the listed post-secondary institutions, or through CPA preparatory courses.
- MA 2 taken through CGA legacy studies before 2013 will require additional bridging content. Please consult your Student Recruitment Advisor for more details.
- According to the legislation in the province of Quebec, this program from TÉLUQ might not be recognized by the Ordre des CPA du Québec.

- This 30-credit certificate is designed for business graduates without an accounting concentration. It is intended to prepare them to enter the CPA PEP. Full certificate details are available online through TÉLUQ.
- 1 ITE changed from a non-core to a core prerequisite requirement for admission to the CPA PEP, effective May 1, 2022. If you have questions on this, please review the FAQs found on [our website](#). If you still have questions, please contact your CPA student recruitment advisor to discuss further.
- 2 Data Analytics & Info Systems; Not a standalone CPA preparatory course. Topics integrated through existing CPA preparatory courses **OR** covered through completion of the external course(s) indicated. Only **one** of the courses listed must be taken.
